# HIGH SECURITY SEALS

## Simulock Ring Seal

Order-No.: 034 210 1

length: 220 mm · Strip dimension: 1 mm x 8 mm

- made of polypropylene (food grade)
- pull strength: 30 kg
- outstanding seal with inspection window for all application using ring seal

## Customs Seal Mini Breakaway

Order-No.: 034 003 0

length: 180 mm

- metal security seal
- aluminium housing with high solid steel rope
- consecutive numbering
- consisting of housing and lock to be broken off after screwing

## Dragon Seal

Order-No.: 034 206

- 1 for length 34 cm
- 2 for length 40 cm

- made of polypropylene (food grade)
- metal locking insert for highest security
- also available with bar code
- long slip for logo
- pulling strength: 45 + kg
- designed with tear-off feature for all bags and sacks

## Cable Breakaway

Order-No.: 034 010 3

**Small Cable**

strip diameter: 1,5 mm · length: 180 mm

Order-No.: 034 010 4

**Mini Cable**

strip diameter: 2,5 mm · length: 180 mm

Order-No.: 034 010 1

**Maxi Cable**

strip diameter: 5,0 mm · length: 250 mm

- metal security seal
- aluminium housing with lock and high solid steel strip
- consecutive numbering
- standard colour blue, further colours on demand
- individual marking of company's name as well as bar code possible
- pull strength 290 + kg up to 1,000 kg length: standard or according to customers' demand

## Dragon SP

Order-No.: 034 207

- 1 for length 20 cm
- 2 for length 35 cm

Strip dimension: 2,5 mm thickness, 8 mm width

- made of polypropylene (food grade)
- metal locking insert for highest security
- also available with bar code
- long slip for logo
- pull strength: 50 – 60 kg
- versatile seal, tamper-evident, recommended for money bags, mail sacks and all other bags

## Sealing Lock

Order-No.: 034 010 8

length: 75 mm · diameter: 9 mm

- metal body with ABS plastic coating
- metal bolt with ABS coating
- consecutive numbering
- individual marking of company's name possible
- cylindrical shape
- two part bolt seal of pull strength of more than 4 tons.
